Dear Bob,

On behalf of the entire Santa Clarita Valley Corvette Club, I would like to thank you for your clubs participation in our October 22nd "All Corvettes Show and Shine" charity car to benefit the Boys and Girls Club of Santa Clarita.

Your club participation was the largest representation by another corvette car club, and your support was truly appreciated. Everyone in attendance was very appreciative of your attendance, and will most assuredly the Boys and Girls Club of Santa Clarita is equally grateful for your support.

In honor of your clubs support, enclosed is a check in the amount of \$100.00 made out to your chosen charity, "Meals on Wheels", Simi Valley.

Again, on behalf of the Santa Clarita Valley Corvette Club, Thank you for your participation, and support of our "Show and Shine Car Show".
